

Canada Area Meeting

September 16-18, 2011

Districts 11 and 18 **SERVICE ON SITE**

This year our Service on Site project is to help Angela's Place in Mississauga. This is a residential service in the region of Peel. It is a shelter for Women, Men and Children who find themselves with no place to go because of unemployment, homelessness or whatever the case may be.

Angela's Place gives their Occupants the everyday needs - food, clothing, and a place to sleep, but what is missing is the items that you and I take for granted.

For women - bubble bath, nail polish, shampoo, body lotion or maybe a cosmetic bag with lipstick in it

For men - razors, shampoo, deodorant

For children - books for them to have (children up to the age 14), backpacks with a theme on them (princess or sponge bob)

These are only a few of the many items that you may think of.

Please bring the items to the registration desk when you arrive and deposit your items there.
