## CANADA AREA NEWSLETTER

Greetings to all the Canada Area Quotarians!

Hello to all of Marie's Mentors. I want each of you, and you know who you are, to send me an e-mail to let me know where your club stands in regards to the "Give Me Five" campaign. Also, tell me what projects your clubs are working on and in general how your club is doing. Now don't forget each club has a mentor, who was the person that I gave the candle to at the area meeting.

To each club I will be sending a letter with all the invoices for insurance, website, dues and an updated Canada Area Financial Report please look for this in the mail in the next couple of weeks.

I want to thank all members who attended the Canada Area meeting held in Mississauga in September. Thank you to several people who helped me make that meeting special, they are Marilyn Smith, Monika Fairbairn, and Petra Miller from my club Huronia, also to Liz Revell QI of Ottawa who became my IT person for the weekend. She did not know of this job before she arrived, but when I asked she stepped into the job in Quota fashion. The other person was Suzanne Prosser, who with the help of Karen Murphy our International Treasurer ran the Silent Auction table. To anyone else who helped me whom I have missed a big thank you.
