OF QUOTA DISTRICT 18 TRUST FUND

\$1000.00 BURSARY AVAILABLE

The Helene Mackenzie and Past Governors of District 18 Trust Fund (est. in 1982) is accepting applications for the 2011-2012 academic year bursaries.

Quota International Inc. is an international service organization with mandates to assist the deaf, hard of hearing and disadvantaged women and children. One very important aspect of our service program is to fund projects that promote access and equity for people whose preferred language is American Sign Language, (A.S.L), and to those who require an Intervenor as their communicator.

Therefore we are offering a bursary to financially assist a Canadian and permanent resident to complete their studies as an Intervenor for deaf-blind persons.

The 2011-2012 bursary will be \$1000.00 (Canadian).

Please review the application material enclosed and pass it on to students who meet our criteria and would be interested in applying.

Should you need more applications please photocopy the material as needed or go online to www.quotacanada.org, click on educational bursaries and under District 18 click on information/application package.

Sincerely
